About 1 Saintec

Mr. Joe Chen

The chairman of Taiwan Industrial Fastener Institute from 2008 to 2013

- ×
-
- ×
-
- ×

Although we just start from 2013, our president Mr. Joe Chen has over 40 years experience in the fastener career. Our sales and Q.C.

Department also have 10 years experience. So far it still have many outstanding manufacturers didn't join the fastener show and they neither have website. Saintec always help various kinds of careers to find the suitable supplier in Taiwan.

Now we have 70% market in Japan 30% in U.S.A. If you are looking for agent or you have no aim to explore a good supplier in Taiwan, Saintec would be your good partner.
